BR-50 1 HEAD Universal Boring - Drilling Machine
BR-50+1 2 SIDE Universal Boring Machine

Optional Accessories: Multiple Drill Head.

Features:

- The model BR-50 is ideal for drilling holes on K/D furniture.
- The model BR-50 + 1 has the same features as the BR-50, except it's fitted with an additional universal boring head.
- The boring head can be swiveled 360 degrees for angular drilling, as desired.
- Powerful 3 HP motor makes this unit ideal for heavy duty boring operations.
- The 360-degree swiveling table and head can easily achieve drilling angles.
- All adjustments feature an index plate for accurate and convenient reading.
- The machine is ruggedly constructed throughout and convenient operation facilitated by the use of a foot switch control.

- Multiple spindle gear heads supplied as optional.
- Workpiece clamping and drill head feeding is pneumatically operated for a high efficiency performance.
- Cast iron base and table for durable usage.
