3/4 in Hi-Lead Screw

Working Lengths  
TigerFence - 51 in (1.2 Meters)\*  
TigerCrossCut - 120 in (3 Meters)

Motor Type  
DC servo w/optical encoder

Pushing Capacity  
Stop Only

Warranty  
1 Year Bumper to Bumper

## Fall in love with your sliding table saw all over again!

How much time are you losing walking around your slider, setting and re-setting the fence? Most users see up to 30% more productivity out of their saw every day with TigerFence™.

TigerFence™ and TigerCrossCut™ bring TigerStop® speed and precision to your table saw.

TigerFence™ and TigerCrossCut™ are designed with screw drives and precision linear bearings ensuring a rigid and dead accurate position, first time...every time.

Rekindle that flame with a TigerFence and TigerCrossCut. Cutting on that old saw will feel brand new again.

### Fast and Accurate...Every time

TigerFence™ and TigerCrossCut™ have a repeatable accuracy rating of  $\pm .003"$  (.07 mm). This means that tomorrow's parts will be the same size as yesterday's parts.

### Adaptable

If you need more production, don't buy a new saw. Turbo charge your existing table saw with TigerFence™ and TigerCrossCut™.
